

To whom it May concern

Greeting from Salar Group...

We are Salar Marketing and Business Company, a company established in the Hashemite Kingdom of Jordan since 2003. We work in general trade, import and export, and specialize in the manufacture of sterilizers and disinfectants in particular. We produce A no-rinse, moisturizing gel for hand sanitizing. Kills germs without water in 20 seconds. Contains at least 70% alcohol as specified for effective sanitizing.

We enclose to you the specifications of our product, which bears the trademark **TROY** with high concentration power:
